**"THE WESTERNER."**

At the matinee performance at the Star Theater yesterday, the Swain Co. presented "The Witch of Wall Street"; last night, "At Silver Creek" formed the bill. Commencing today, the company will adopt a new policy in regard to change of programme, new plays being presented on Sunday and Thursday, instead of Monday, as heretofore. For the first half of the present week, the bill will consist of an unusually strong and interesting comedy drama, "The Westerner," the initial production of which will be given at the matinee this afternoon. The play deals principally with the adventures of a frank, big-hearted young Westerner who becomes involved in a vortex of speculation in his endeavors to save the old friend of his dead father from ruin at the hands of a gang of mining sharks, and his final triumph. It is bright and breezy and filled with situations of stirring interest and scenes of delightful comedy. A very pretty love story runs throughout, two of them, in fact, while a sport-loving old deacon and his wife, in their efforts to conceal from each other their passion for horse racing and base ball, affords endless amusement. Alf Layne will appear in the title role, and the other characters will be in competent hands.

**FOOT BALL SEASON ATTACKED CASHIER**

Opened Yesterday With Several Games in the East.

**MUCH INTEREST WAS TAKEN**

Games Also Played at Seattle and Portland Were Exciting. Although Neither Team Scored, but Different in the East.

PORTLAND, Oct. 27.—The following football games are reported as having been played yesterday. Considerable interest was manifested and games were well attended. Following is the result of the games:

West Point—Harvard, 5; Army, 0. Annapolis—Navy, 0; Bucknell, 0. Portland—Whitman, 0; Multnomah, 9. Seattle—Washington, 0; Oregon Agricultural, 0.

Philadelphia—A big upset occurred today on Franklin field when the Carlisle Indians defeated Pennsylvania, 24 to 6. The Indians were trained to the minute and bewildered the Quakers, who were in full retreat before the game was over.

New York—Princeton won a hard-fought battle from Cornell today. The score was 14 to 5. There was little choice between the teams at the opening. Toward the end of the game Princeton's brawn and condition told and the ball was theirs most of the time.

New Haven—Yale's great defense during the last moments of today's game saved her being scored on. Final score was Yale 12, Amherst, 0.

**An Awful Cough Cured.**

"Two years ago our little girl had a touch of pneumonia, which left her with an awful cough. She had spells of coughing, just like one with the whooping cough, and some thought she would not get well at all. We got a bottle of Chamberlain's Cough Remedy, which acted like a charm. She stopped coughing and got stout and fat," writes Mrs. Ora Brussard, Brubaker, Ill. This remedy is for sale by Frank Hart and leading druggists.

**MADE WORLD'S RECORD.**

NEW YORK, Oct. 27.—Walter Miller, the jockey whose fine work in the saddle has attracted wide attention, is credited with a world's record for the season. Since January 1 he has ridden 304 winning horses and he will largely increase this before the eastern racing season ends.

Eugene Hildebrand formerly held the highest honor. In 1904 he rode 297 winners.

Miller was born on the East Side in this city. His parents were poor and had a large family. Miller's success on the turf has, however, changed their circumstances. Recently he purchased a \$25,000 house for his mother in Flat bush.

**Sick Headache Cured.**

Sick headache is caused by derangement of the stomach and by indigestion. Chamberlain's Stomach and Liver Tablets correct these disorders and effect a cure. **REGULATING POLICE.**

All New York Policemen Must Appear in Uniforms.

NEW YORK, Oct. 27.—A police order almost if not quite as radical as that of Wednesday, which directed the transfer of every captain in the greater city with one exception, was issued by Police Commissioner Bingham yesterday. Under the new order every plain clothes man in the city will don a uniform at 6 o'clock tonight and in the future the power of captains in assigning any man to plain clothes duty will be limited. The order threatens to do away with the plain clothes men, otherwise known as "Wardmen." Such appointments as are made must be through inspectors. Many retirements from the force are looked for on account of the order.

Most Daring Robbery Plot in Annals of St. Petersburg.

**REVOLUTIONISTS THROW BOMB**

Cashier Jumps from Carriage and Flees, Leaving \$300,000, a Portion of Which is Stolen by a Woman.

ST. PETERSBURG, Oct. 27.—One of the most daring robbery plots ever known in the annals of St. Petersburg was executed today, when about noon a band of fifteen revolutionists armed with bombs, attacked the cashier of customs while he was proceeding from the sub-treasury with a sum of money variously estimated at between \$120,000 and \$300,000. They wrecked the vehicle by a bomb, but were driven off by two gendarmes, who were forming the cashier's escort and who made a defense of the treasure.

When the bomb exploded the cashier and his two assistants and two guards jumped out of the carriage and fled in a great panic, abandoning the money, but the gendarmes, although wounded, opened fire on the revolutionists. They were soon joined by some passing soldiers and policemen and the robbers, who were mere youths, fled before the growing number of defenders of the treasure. During the flight the revolutionists lost two killed and five captured.

After the explosion \$120,000 of paper money was recovered from the wrecked carriage. The police say this was the whole amount, but according to accounts of witnesses, when the gendarmes abandoned the carriage to pursue the robbers, a woman seized a large bundle of money and escaped. The panic-stricken cashier and onlookers, said they bewailed the loss of the \$180,000.

Later in the day it was officially announced that there was \$330,000 of which one package, containing \$195,000, was stolen. This sum may be raised to \$200,000, as a count of the smaller packages had not been completed. None of the five robbers captured have been identified. It is thought that the crime was organized by a band of Moscow and Warsaw revolutionists.

**Wounds, Bruises and Burns.**

By applying an antiseptic dressing to wounds, bruises, burns and like injuries before inflammation sets in, they may be healed without maturation and in about one-third the time required by the old treatment. This is the greatest discovery and triumph of modern surgery. Chamberlain's Pain Balm acts on this same principle. It is an anti-septic and when applied to such injuries, causes them to heal very quickly. It also allays the pain and soreness, and prevents any danger of blood poisoning. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering such injuries entail. For sale by Frank Hart and leading druggists.
